polavaramhemanthkumar@gmail.com

PROFESSIONAL SUMMARY

B.Tech graduate in Electronics and Communication Engineering, actively building skills in Data Analysis and Data Science. Gaining hands-on experience with Python, SQL, Excel, and Power BI through internships and projects. Learning to identify trends and patterns in data, perform data quality checks, and develop visualizations that support data-driven decisions. Eager to contribute, collaborate with cross-functional teams, and grow in an entry-level Data Analyst role.

EXPERIENCE

DATA ANALYST INTERN

VOIS FOR TECH, Remote — Sep 2025 – Oct 2025

- Collected and analyzed data from multiple data sources (structured and unstructured) to identify trends and patterns and extract actionable insights.
- Developed reports and visualizations to communicate findings; conducted data quality checks, ensured data integrity, and supported data-driven decisions within cross-functional teams.

DATA SCIENCE INTERN

QSpiders (Ongoing)

- Analyzing datasets from multiple data sources using Python, SQL, and Excel to identify trends, patterns, and actionable insights.
- Performing EDA and data cleaning/preprocessing; creating Power BI dashboards to support data-driven decisions and identify opportunities to optimize processes.

AI INTERN

Infosys Springboard (Virtual) — Dec 2025 – Feb 2026

- Applied analytical thinking to AI problem-solving approaches and evaluated real-world AI use cases.

PROJECTS

HR Analytics Dashboard (Power BI)

- Built an interactive Power BI dashboard analyzing employee productivity and attrition trends; performed data quality checks and preprocessing to ensure integrity.
- Presented KPI visuals and filters to decision-makers, surfacing process improvement opportunities within HR operations.

AI Research Paper Summarizer

- Processed unstructured text data and generated concise summaries via Gemini AI API; applied data preprocessing and automated report generation techniques.

EDUCATION

Bachelor of Engineering (ECE) – Sri Venkateswara College of Engineering, Tirupati.

Percentage: 86.3% — Duration: 2022 – 2026

Intermediate – Narayana Junior College, Nellore.

Percentage: 91.7% — Duration: 2020 – 2022

SSC – ShanthiNikethan EM High School, Srikalakasti.

Percentage: 99.5% — Duration: 2019 – 2020

TECHNICAL SKILLS

Programming Languages	: Python.
Libraries	: NumPy, Pandas.
Database	: SQL.
Spreadsheet Tools	: Microsoft Excel.
Data Analysis	: EDA, Data Cleaning, Data Quality Checks, Data Integrity.
Data Visualization	: Power BI, Dashboard Development.
Tools	: VS Code, Google Colab.

CERTIFICATIONS & ACHIEVEMENTS

- Data Science – *By Wipro Under TalentNext Program*
- Artificial Intelligence & Machine Learning Intern – *By SmartBridge Educational Services Pvt. Ltd.*
- Secretary, IETE Student Forum (2024–2025) – *Organized technical events and cross-team seminars; demonstrated collaboration and leadership.*
